Showing 1-30 Start your review of Gardner's Art through the Ages: A Global History. As fascinating as a real visit to the world's famous museums and architectural sites, GARDNER'S ART THROUGH THE AGES: A GLOBAL HISTORY gives you a comprehensive, beautifully illustrated tour of the world's great artistic traditions—plus all the study tools you need to excel in your art history course! Easy to read and understand, you'll also find materials that will help you master the key topics quickly and help you study for your exams—for example, "The Big Picture" overviews at the end of every chapter, and ArtStudy Online (a free interactive study guide that includes flash cards of images and quizzes). Unfortunately, fewer than 1 in 1000 of our patrons donate. Access to knowledge is more crucial than ever—so if you find all these bits and bytes useful, please pitch in. If you love to read about Art trends and evolution of the modern art and architecture, this is the right book for you. You can download the paper by clicking the button above. With me being an architect major it helps me some even though this was an elective course/book for my culinary arts major. Loading PreviewSorry, preview is currently unavailable.
